"Stones of Strength" by Alexandr Feinberg:

**In the heart of darkness, where shadows roam,
Where fears entangle and hope seems flown,
There lie stones of strength, silent and still,
Guardians of courage, against all ill.**

Each stone a story, weathered and worn,

**Testament to the trials endured and borne.
In their rugged embrace, we find reprieve,
A sanctuary of solace, where hearts believe.**

**Though storms may rage and tempests roar,
These stones stand steadfast, forevermore.
Their silent witness, a beacon bright,
Guiding us through the darkest night.**

**For in their quiet strength, we find our own,
A reservoir of courage, deeply sown.
And though the path ahead may seem unclear,
These stones of strength will always be near.**

**So let us draw from their wellspring deep,
And find the fortitude to rise and leap.
For in the heart of darkness, where shadows roam,
These stones of strength lead us home.**
